Certifications

Certification of No Undocumented Workers

Chapter 2264 of the Texas Government Code requires that each business that submits an application to receive a public subsidy include in the application a statement certifying that the business, or a branch, division, or department of the business, does not and will not knowingly employ an undocumented worker.

An undocumented worker means an individual who, at the time of employment, is not lawfully admitted for permanent residence to the United States or authorized under the law to be employed in that manner in the United States. If after receiving a public subsidy, the business, or a branch, division, or department of the business, is convicted of a violation under 8 U.S.C. Section 1324a(f), the business shall repay the amount of the public subsidy with interest, at the rate and according to the other terms provided by an agreement under Section 2264.053, not later than the 120th day after the date the public agency, state or local taxing jurisdiction, or economic development department notifies the business of the violation.
