Relocate-America Honors Plano in "America's Top 100 Places to Live"

Plano has been selected as one of "America's Top 100 Places to Live" by RelocateAmerica.com. The annual listing provides relocating consumers and area residents with access to local community resources.

"We are ecstatic that Plano is being recognized as a great place to relocate. As a City, we work hard to provide community amenities that are both desirable and accessible for the diverse residents we serve. We try to create an environment that is ripe for growing a business or a family," said Plano City Manager Tom Muehlenbeck.

RelocateAmerica's criterion for the list was focused on future growth and ability to rebound from these unsteady economic times. The review panel evaluated government and business leadership in each community. They looked for visionary programs such as "Live Green in Plano."

Plano was nominated and Relocate-America's editorial team selected it based on interviews with local leaders, feedback from residents and economic, environmental, education, crime, employment and housing data for the past year.
